

GRADUATION SESSION - A.A. 2020/2021

Participation Instructions

Considering the persistence of the epidemiological state of emergency deriving from the spread of the SARS-CoV-2 virus and taking into account the provisions of the Rector's Decree no. 412/2021, below are the indications for the conduct of the graduation sessions scheduled at the internal headquarters of the Courses:

- in order to comply with the obligation to use the classrooms at 50% of the nominal capacity, each candidate may bring a maximum of 4 accompanying persons;
- within the two days preceding the graduation session, each candidate must send to the School of Medicine and Surgery - scuola.medicina@unicampania.it - the names of the family members who will have to access the classroom in which it will take place the graduation session;
- upon entering the classroom, both candidates and family members will be subjected to the verification of the green COVID-19 certification (so-called Green-pass) and to the measurement of body temperature and will be able to access only in case of valid certification and registration of a temperature below 37.5 °;
- for access purposes, it will finally be necessary to use personal protective equipment, ie the surgical mask and the alcohol-based disinfectant gel;
- on the basis of the lists provided by the School of Medicine and Surgery, the surveillance staff will ensure compliance with the indicated provisions as well as the necessary distancing.

In this last regard, it should be noted that the participants in the sessions must arrange themselves according to the following scheme:

- Chair: President of the Commission; Secretary, Supervisor and Co-rapporteur;
- First two rows: members of the Commission;
- Subsequent files: candidates and family members.
